Nederlands:

Alle snare spelers hebben een helm op en staan achter elkaar in één of twee rijen. Voor de voorste slagwerker staat een lege stoel, waarop iemand uit het publiek plaats moet nemen. Uiteraard krijgt die ook een helm op.

English:

All snare players are wearing a helmet and stand one after the other in one or two rows. In front of the foremost percussionist stands an empty chair, destined for someone from the audience, who of course gets to wear a helmet too.
