

RHYTHM CHAIRS

Ivo Kouwenhoven

JPEP 6

Grade / Moeilijkheidsgraad 2

Duration / Tijdsduur 1'35

Nederlands:

Vier slagwerkers zetten een stevige groove neer op.....stoelen!

Een leuke act voor zowel de muzikant als het publiek.

Uiteraard kan het kwartet verdubbeld worden.

English:

Four percussionists set down a heavy groove on.....chairs!

A nice act for the musician as well as for the public.

Of course the quartet can be doubled.

RHYTHM CHAIRS

INFO:

Place five chairs next to each other and four backwards across from these.
The fifth chair (rightmost side) will only be used at the last note of this piece.

The image shows two rows of musical notation, each with four measures. The notation is on a five-line staff with a square clef on the left. Each measure contains a rhythmic pattern: a quarter note followed by a quarter rest, then a half rest. The notes are placed on different lines of the staff to represent different sounds.

Top row:

- Measure 1: Note on the top line. Label: **Top back of chair**
- Measure 2: Note on the second line from the top. Label: **Side back of chair**
- Measure 3: Note on the third line from the top. Label: **Chair seat**
- Measure 4: Note on the bottom line. Label: **Chair leg**

Bottom row:

- Measure 1: Note on the bottom line. Label: **Stamp feet**
- Measure 2: Note on the second line from the top, with an 'x' above it. Label: **Stick on stick**
- Measure 3: Note on the third line from the top, with an 'x' above it. Label: **Stick on stick (neighbours left and right)**
- Measure 4: Note on the bottom line, with an 'x' above it. Label: **Strike the back of the chair on the right next to you**
