Grade / Moeilijkheidsgraad 0,5

Duration / Tijdsduur 2'00

Nederlands:

Bij een echo hoort men, naast het directe geluid, ook een weerkaatsing afzonderlijk daarvan. In deze compositie is echter een hele rare echo te horen. Een zeer eenvoudig, maar zeer doeltreffend entertainment werk voor de beginnende slagwerkers.

N.B.: zorg ervoor dat de solist voor het publiek wel te horen, maar niet te zien is.

English:

Apart from the direct sound of an echo, one also hears the reverberation apart from this. In this composition however, a very strange echo is to be heard. A very simple, but very effective entertainment work for the beginning percussionists.

N.B.: Make sure the public can hear, but cannot see the soloist.
